Technical specifications

Luminaire type	Recessed RGB floodlight, Atlas series
Number of LEDs	3 (1 x red, 1 x green, 1 x blue)
Light source	OSRAM LEDs
LED colour	Red 650 nm, green 523 nm, blue 470 nm (other colours on request)
Supply	12-24V DC
Electrical protection class	III
DMX driver	Included, inside the housing
Beam	Wide / medium / narrow / omnidirectional
Ingress protection	IP67
Mounting hole diameter	87 mm
Mounting hole depth	100 mm
Weight	0.4 kg
Use	Outdoor
Markings	CE, F

Features

- 3 OSRAM RGB LEDs, one per colour
- In-ground installation, 87 x 100 mm hole
- 12-24V DC supply, class III
- Integrated DMX driver
- Wide, medium, narrow, omnidirectional beam
- IP67 protection, 0.4 kg

Recommended applications

Recessed lighting

Garden lighting

Car park lighting

Access path lighting

Park lighting

General lighting
